

## March 2022 Kyuyo SSH Activity Record

### Online research exchange meeting

#### with Kyoto Prefectural Momoyama High School (2022.3.16.Wed.)

On Wednesday, March 16, we held an online research exchange with Kyoto Prefectural Momoyama High School. The exchange was planned to take place on-site, but due to the effects of the COVID-19, it was decided to conduct the exchange online. Seventeen students from our school participated in the exchange in the fields of biology, physics, geology, and chemistry.

### Junior Agricultural and Chemical Society 2022 Competition (2022.3.16.Wed.)

This year, one student from the Chemistry Department participated. The result was a bronze award!

### SSH Staff Meeting (2022.3.17.Thu.)

We shared the achievements and challenges of KYUYO SSH and discussed the application for the 3rd term of SSH with all the staff members.
