

## May 2021 Kyuyo SSH Activity Report

### - The 1st SSH committee meeting (Tuesday, May 18, 2021)

Agenda: Creating classes for inquiry-based learning

In this committee meeting, we had a discussion with teachers of all subjects on how to create classes based on qualities and abilities.

### - 3rd grade students of Kyuyo Junior High School Peace Study Poster Presentation" (Wed., May 19, 2021)

On Wednesday, May 19th, the 3rd year junior high students held a "Peace Study Poster Presentation" as part of their mini-project research.

### - Theme review meeting for SS Science and Mathematics Exploration II was held online. (Thursday, 2021.5.27)

This presentation was a hybrid of face-to-face for the students and Teams for the administrative guidance committee.

### - The first SSH Steering and Guidance Committee meeting was held online (Thursday, May 27, 2021).

Discussions

- (1) Initiatives for the year 2020
- 2) Plans for the 2021 school year
- (3) Enhancement of initial guidance

This committee was connected to the Administrative Guidance Committee by Teams and discussed the above topics.
